ISBN:	978-1-62254-311-3
Price:	\$199.95
Delivery method:	Print

Consolidate the coding process with the **Coding Companion**, your one-stop resource developed exclusively for those who code for dermatology and plastic surgery. This comprehensive and easy-to-use guide includes 2018 CPT[®], HCPCS, and ICD-10-CM code sets specific to your specialty. Each specialty-specific procedure code includes its official description and lay description, coding tips, terminology, cross-coding to common ICD-10-CM, and relative value units. Getting to the code information you need has never been so easy.

Key Features and Benefits

- **New — Code icons.** Quickly identify new, revised and add-on procedure codes related to dermatology and plastic surgery.
- **New — CPT[®] Assistant references.** Identifies that an article or discussion of the CPT code has been in the American Medical Association's *CPT Assistant* newsletter. Use the citation to locate the correct volume.
- **Optum360 Edge — HCPCS procedure codes.** Only Optum360 offers HCPCS procedure codes specific to your specialty with the same information as we provide for CPT codes.
- **Quickly find information.** All the information you need is provided, including illustrations, lay descriptions, coding tips, terms, cross-coding, Medicare RVUs and Pub. 100 references.
- **Organized by CPT[®] and HCPCS procedure code.** Essential procedures for dermatology and plastic surgery are listed by CPT[®] or HCPCS procedure code, along with crosswalks to common ICD-10-CM diagnosis codes.
- **Easily determine fees for your practice and reinforce consistency in the charges.** Relative value units including the practice, work, and malpractice components with total RVUs for non-facility and facility for procedures are included.
- **Avoid claim denials and/or audits.** Medicare payer information provides the references to Pub. 100 guidelines, follow-up days, and assistant-at-surgery.
- **CCI edits by CPT[®] and HCPCS procedure code.** CPT[®] and HCPCS procedure codes with associated CCI edits in a special section and quarterly updates available online.
